

# Save the world....one meeting at a time

Harvest Inn is committed to conserving our Natural Resources

We provide **Green Meetings** in all of our properties that include:

- Recycled pens & paper printed with soy ink
- Filtered tap water served in pitchers with glasses
- Conference rooms with dry erase boards available
- Recycle bins in meeting rooms for paper, glass, and plastic
- China, silver, glass and linen napkins for meal service

We also offer:

- Customized catering menus to promote local vendors & organically grown products in season
- Bulk transportation options
- Green weddings
- Bio-degradable to-go containers and box lunches available
- Bulk items are used in place of individually wrapped items

## To Book your Green Meeting:

- Contact the Sales & Catering Department at 707-963-9463
- Ask about our Green Meeting Packages

*The hotel's "Living Green" team is comprised of team members who are dedicated to minimizing our footprint on the world. We encourage and mandate the following programs:*

- *Hotel wide recycling program*
- *Car pooling & biking incentives*
- *Cfl lighting in our guest rooms*
- *Elimination of employee usage of Styrofoam*
- *Paper to go cups for our guests*
- *Paper products composed of recycled materials*
- *Encourage electronic transmission of contracts and informational materials.*
