Halloween, pumpkin patches, harvest time for future years' wine...is there anything better than autumn? Check out the vineyard vistas from the patio of a Vineyard View Room at the [Harvest Inn](#) in Napa Valley. In the quaint town of St. Helena, the hotel, owned by an executive with San Francisco's Fairmont Hotel, backs up to the chardonnay vineyards of [Whitehall Lane Winery](#), one of many wineries right down the street. Stay here and you're within a short walk of the tasting rooms at V. Sattui Winery, Heitz Cellara and the gourmet grocery store, Dean & Deluca. And the highlights of this hotel are many...vineyard view rooms with private hot tubs, more than 100 redwood trees planted onsite (get a massage treatment surrounded by them!) and a gourmet complimentary breakfast served every morning on a terrace overlooking the rows of grapes. Can I get a cheers?
